# Starry Night Auction

February 9th

## Please Consider Donating to the Parent Wine Lot

### What is the Parent Wine Lot?

Each year we ask Vichy families to contribute one or two bottles of wine to create "Parent Wine Lots." Donated wine will be grouped together into three to four auction lots and raffle tickets will be sold beginning this January for \$20.00. Each year, lucky raffle winners receive anywhere from 20-40 bottles of wine. It is a great fundraiser and an excellent opportunity for your family to help contribute to the success of our annual auction. We hope you will consider donating.

### What to do:

Bring your wine to the school office. Please fill out and attach the information below to your bottle(s) indicating the approximate value of your donation.
